VIKTIGT!
Racerbilarna kanske är lite ovilliga i början. Det beror på ett skydds lager på banan som garanterar att den kommer fram i perfekt skick. Detta lager slits av när bilarna går runt banan några gånger. **KOM IHAGI (7)** Rengör banan varje gång du använder satsen. Se efter på "PITSTOP" tabellen beträffande felsökning.

6 Prima di servirsi della posta, pulire le terze rotale. **AVVISO:** utilizzare una volta sola. **RICORDATEVI! (7)** Pulite la pista ogni volta che la usate. Pulite i Patini di Contatto con una gomma.

REMEMBER! (7)
Clean the track *everytime* you use your set. Clean Pick-up shoes with a rubber and apply one drop of oil to each shoe.
6 Before using track clean contact rails. **WARNING:** use once only.

TARKEAA! Sinun kipa-autosi ehkä lähtevät aluksi vastahakoisesitilikkäelle. Tämä johtuu siitä, että radalla on suoja керros, joka varmistaa sen, että tuote tulee Simulle täydellisen hyvssä kunnossa. Tämä керros kuluu pois kun autoosi ovat kiertäneet radan ympäri muutaman kerran.
MUUSTAI (7) Puhdistata rata joka kerran kun käytät sarjaa. Katso "Tarkestukskuoppa" taulukosta, miten viat voidaan löytää.

BELANGRIJK! Uw renwagens kunnen mogelijkewijs aanvankelijk stroef lopen. Dit wordt veroorzaakt door een bescherm laag op de spoorbaan welke verzekert dat het product U in prima conditie bereikt. Nadat Uw wagens

6 Vor Gebrauch der Bahn Kontaktschienen säubern. **BITTE BEACHTEN:** nur einmal zu benutzen.

SOUVENEZ-VOUS (7) de nettoyer la piste chaque fois que vous vous servez de votre jeu. Nettoyer les patins Sabot de Contact avec une gomme et appliquer une goutte d'huile à chaque patin.

6 Avant d'utiliser la piste, nettoyer les rails de contact. **AVERTISSEMENT:** n'utiliser qu'une fois seulement.

enkele malen over het traject gegaagd zijn zal deze bescherm laag verdwijnen. **DENK ER AAN! (7)** Maak de renbaan schoon na *ieder* gebruik van Uw stel. Consulteer de "PITSTOP" lijst om gebreken te ontdekken.

في البداية قد يكون القطار غير مستقر على المسار. هذا يرجع إلى وجود طبقة واقية على القضبان تمنع القطار من الانزلاق. هذه الطبقة ستختفي مع الاستخدام المتكرر. يرجى تنظيف القضبان بعد كل استخدام. يرجى قراءة قائمة "PITSTOP" لمعرفة المشاكل المحتملة.

RECUPERDENI (7) Limpia la pista cada vez que usen el juego. Para la investigación de fallas consulten el Cuadro "PITSTOP".

6 Antes de usar la pista, limpie los carriles de contacto. **PRECAUCIÓN:** usese una vez solamente.

ACHTUNG! (7) Die nach Gebrauch immer säubern! Säubere Kufen mit einem Radergummi und schmiere einem Tropfen Öl auf Jede Kufe.
